**DEBTORS' LIMITED OBJECTION TO THE  
THIRD INTERIM AND FINAL FEE APPLICATION  
OF ANALYSIS RESEARCH PLANNING CORPORATION**

TO THE HONORABLE ROBERT E. GERBER  
UNITED STATES BANKRUPTCY JUDGE:

Motors Liquidation Company (f/k/a General Motors Corporation) and its affiliated debtors, as post-effective date debtors, in the above-captioned chapter 11 cases (collectively, the "**Debtors**"), submit this limited Objection to the Third Interim and Final Application of Analysis Research Planning Corporation as Asbestos Claims Valuation Consultant to Dean M. Trafelet in his Capacity as Legal Representative for Future Asbestos Personal Injury Claimants for Allowance of Compensation and Reimbursement of Expenses Incurred for the Interim Period from October 1, 2010 through March 29, 2011, and the Final

Period from March 1, 2010 through March 29, 2011 (the “**Third Interim and Final Fee Application**”) (ECF No. 10250), and respectfully represent:

### **PRELIMINARY STATEMENT**

1. Analysis Research Planning Corporation (“**ARPC**”) was retained in these chapter 11 cases as the asbestos claims valuation consultant to Dean M. Trafelet in his capacity as the legal representative (the “**Future Claimants’ Representative**”) of persons who were exposed to asbestos-containing products and who have not yet manifested a disease (the “**Future Claimants**”). Prior to the confirmation of the Debtors’ Second Amended Joint Chapter 11 Plan (ECF No. 9836), at a time when the Debtors, the statutory committee of unsecured creditors (the “**Creditors’ Committee**”), the official committee of unsecured creditors holding asbestos personal injury claims (the “**Asbestos Claimants’ Committee**”), and the Future Claimants’ Representative (collectively, the “**Parties**”) were unable to agree on the Debtors’ aggregate liability for the Asbestos Personal Injury Claims (as hereinafter defined), this Court established procedures to estimate the Debtors’ asbestos liability. The Parties subsequently reached an agreement and entered into a stipulation and order to fix the Asbestos Personal Injury Claim and resolve all issues pertaining to the estimation proceeding. Nevertheless, ARPC inexplicably continued to spend a substantial number of hours in evaluating the Debtors’ asbestos liability. In light of the settlement, any reasonable professional in that position would have realized that such work was unnecessary and not beneficial to the administration of these cases. Fees for such work done after the settlement was reached should be disallowed.

### **BACKGROUND**

2. On June 1, 2009 (the “**Commencement Date**”), Motors Liquidation Company (f/k/a General Motors Corporation), MLCS, LLC (f/k/a Saturn, LLC), MLCS

Distribution Corporation (f/k/a Saturn Distribution Corporation), and MLC of Harlem, Inc. (f/k/a Chevrolet-Saturn of Harlem, Inc.) (collectively, the “**Initial Debtors**”) commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code, and on October 9, 2009, Remediation and Liability Management Company, Inc. and Environmental Corporate Remediation Company, (the “**REALM/ENCORE Debtors**”) commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code, which cases are jointly administered under Case Number 09-50026 (REG).

3. On April 8, 2010, this Court entered an order (ECF No. 5459) appointing Dean M. Trafelet as the Future Claimants’ Representative of individuals who were exposed to asbestos or asbestos-containing products that are attributable to any of the Debtors but who, prior to confirmation of a chapter 11 plan for the Debtors, had not manifested symptoms of asbestos-related diseases resulting from such exposure.

4. On April 2, 2010, the Future Claimants’ Representative filed an application (the “**Retention Application**”) (ECF No. 5413) to retain and employ ARPC as his asbestos claims valuation consultant. As provided in paragraph 8 of the Retention Application, “the Future Claimants’ Representative will represent the interests of . . . Future Claimants . . . in plan negotiations and in a contested confirmation if relevant issues are not resolved consensually.” By order dated April 21, 2010 (ECF No. 5533), this Court authorized the retention of ARPC as the asbestos claims valuation consultant of the Future Claimants’ Representative in accordance with sections 330 and 331 of the Bankruptcy Code.

5. On December 15, 2010, this Court entered an order (the “**Estimation Order**”) (ECF No. 8121) authorizing the estimation of the Debtors’ aggregate liability with respect to all present and future asbestos-related personal injury claims (the “**Asbestos Personal**

**Injury Claims**”) to enable the Debtors to create a post-confirmation trust (the “**Asbestos Trust**”) into which all Asbestos Personal Injury Claims would be channeled. The Estimation Order also established a discovery schedule and set March 1, 2011 as the first hearing date to estimate the Debtors’ aggregate liability for the Asbestos Personal Injury Claims.

6. After the entry of the Estimation Order, the Parties engaged in negotiations to fix the aggregate amount of Asbestos Personal Injury Claims. These discussions were successful and an agreement was reached. By January 21, 2011, each of the Parties had signed a stipulation and order (the “**Stipulation and Order**”) resolving the Asbestos Personal Injury Claim, which was approved by the Court on February 14, 2011. The Stipulation and Order established that, among other things:

- (i) “The Debtors’ aggregate liability for Asbestos Personal Injury Claims, i.e., the Asbestos Trust Claim under the Plan, shall be fixed in the amount of \$625,000,000.00, which Claim shall not be subject to any defense, counterclaim, right of setoff, reduction, avoidance, disallowance (including under section 502(d) of the Bankruptcy Code), or subordination.” (Stipulation and Order, at 5.)
- (ii) “The Asbestos Trust Claim shall be the sole Claim that holders of Asbestos Personal Injury Claims in their capacities as such shall have in these chapter 11 cases.” (Stipulation and Order, at 5.)
- (iii) “Notwithstanding anything contained in the Plan to the contrary, any amendment to or modification of the Plan that materially and adversely affects the constituencies whose interests are represented by the Asbestos Claimants’ Committee and the Future Claims Representative in a manner that is discriminatory or inconsistent with this Stipulation and Order shall require the written consent of the Asbestos Claimants’ Committee and the Future Claimants’ Representative.” (Stipulation and Order, at 5.)
- (iv) “Upon approval of this Stipulation and Order by the Bankruptcy Court, the Estimation Motion shall be marked off the Bankruptcy Court’s calendar as ‘resolved.’ (Stipulation and Order, at 6.)”

7. On May 16, 2011, ARPC filed its Third Interim and Final Fee Application, seeking approval of \$537,608.33 for professional services rendered and expenses

incurred during the period from October 1, 2010 through March 29, 2010, and final allowance of \$760,038.55 for services rendered and expenses incurred from March 1, 2010 through March 29, 2011. As indicated on **Exhibit “A”** attached hereto, the time records attached to the Third Interim and Final Fee Application reveal that, after the date by which each of the Parties had signed the Stipulation and Order, ARPC billed \$351,306.20 for 3,931.9 hours in evaluating the Debtors’ asbestos liability.<sup>1</sup> ARPC asserts in its Third Interim and Final Fee Application that it “performed extensive analysis of documents produced by the Debtors during the period of time leading up to plan confirmation so as to protect the interests of the Future Claimants should the Debtors’ plan have failed to have been confirmed.” (Third Interim and Final Fee Application, at 11.) Yet, incredulously, the billing continued even after confirmation of the Plan.

**ARPC IS NOT ENTITLED TO A FEE AWARD FOR EVALUATING THE DEBTORS’ ASBESTOS LIABILITY AFTER THE SETTLEMENT AND ORDER WAS APPROVED**

8. As stated by ARPC in its Third Interim and Final Fee Application, the statutory predicates governing its request for fees are sections 330 and 331 of the Bankruptcy Code. Section 330(a)(1)(A) provides that a court may award “reasonable compensation for actual, necessary services rendered.” 11 U.S.C. § 330(a)(1)(A). In determining the amount of reasonable compensation, section 330(a)(3)(C) provides that the court shall consider all relevant factors, including “whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title” 11 U.S.C. § 330(a)(3)(C). Significantly, section 330(a)(4)(A)(ii) provides that the court shall not allow compensation for “services that were not—(I) reasonably likely to benefit the debtor’s estate; or (II) necessary to the administration of the case.” 11 U.S.C. § 330(a)(4)(A).

---

<sup>1</sup> Of this amount, ARPC expended 3,106.9 hours, for a total of \$276,222.00, after this Court approved the Stipulation and Order on February 14, 2011.

9. In light of the legal standard set forth above, ARPC is not entitled to an award of compensation for the post-settlement period. By January 21, 2011, when all of the Parties, including the Future Claimants' Representative, had signed the Stipulation and Order resolving the Asbestos Trust Claim, a reasonable professional in ARPC's position should have been aware that its continued efforts may become unnecessary and obviated by a consensual settlement. *In re St. Rita's Associates Private Placement, L.P.*, 216 B.R. 490, 497-98 (Bankr. W.D.N.Y. 1998) (holding that a professional's review of deposition transcripts was unnecessary because a settlement was in prospect and the professional should have arranged to defer review until the outcome of the settlement became known). At the very least, by February 14, 2011, when the Stipulation and Order was approved by this Court, ARPC should have ceased its efforts in light of the finality of the settlement.

10. In its Third and Final Fee Application, ARPC asserts that its continuing efforts after February 14, 2011 were intended to protect the interests of the Future Claimants should the Debtors' plan not be confirmed. Such a explanation is untenable in light of the significant amount of hours and fees required by ARPC's continuing efforts compared to the possibility and consequence of the Debtors' plan not being confirmed. *See In re Angelika Films 57th Inc.*, 227 B.R. 29, 42 (Bankr. S.D.N.Y. 1998) (under section 330, an "attorney should only proceed with a legal service if the potential benefit of the service, which takes into consideration the chances of successes, outweighs the cost."). The Stipulation and Order itself resolved one of the most significant hurdles to confirmation of the Plan and, even if confirmation did not occur, the Stipulation and Order provided protection to the Future Claimants by requiring the Future Claimants' Representative's written consent for any amendment or modification of the Plan to

the extent it materially and adversely affected the Future Claimants in a manner that is inconsistent with the Stipulation and Order. (Stipulation and Order, at 5.)

11. Notably, this is not a situation where ARPC performed services at a time when it appeared that its efforts would likely benefit the estate and the administration of these cases. *See In re Keene Corp.*, 205 B.R. 690, 696 (Bankr. S.D.N.Y. 1997) (“A decision [to perform services] reasonable at first may turn out to be wrong in the end.”). Rather, a reasonable professional in ARPC’s position would have recognized that its efforts would in all likelihood become superfluous upon the entry of the Stipulation and Order. In light of the settlement, if ARPC had any doubts as to whether the Debtors could confirm a plan that was consistent with the Stipulation and Order, the reasonable course of action would have been for ARPC to defer its efforts in evaluating the Debtors’ asbestos liability until that time. *St. Rita’s Associates Private Placement, L.P.*, 216 B.R. at 498 (professional should have deferred services until outcome of the settlement became known).

12. As ARPC’s efforts in evaluating the Debtors’ asbestos liability after this Court’s approval of the Stipulation and Order were not reasonably likely to benefit the Debtors’ estates and were unnecessary to the administration of these cases, ARPC should not be awarded compensation for such services at the expense of the Debtors’ estates.

**CONCLUSION**

WHEREFORE the Debtors respectfully request that the Court disallow the fees requested by ARPC in its Third Interim and Final Fee Application by \$351,306.20, the amount attributable to ARPC's review of the Debtors' asbestos liability after the Stipulation and Order was signed by each of the Parties, and grant such other and further relief to the Debtors as is just.
