WHEREAS, this Stipulated Order is fair, reasonable, and in the public interest, and is appropriate for resolving the Claims as set forth herein;

NOW, THEREFORE, in consideration of the foregoing, it is hereby stipulated and agreed by the Parties that:

1. In full settlement and satisfaction of the Claims, the State of New York, on behalf of NYSDEC, and the Town jointly shall have an Allowed General Unsecured Claim in the amount of \$9,000,000 classified in Class 3 under the Plan, which the GUC Trust shall distribute as follows:

a. NYSDEC Amended Claim numbered 71020 shall be treated as a Resolved Allowed General Unsecured Claim against MLC, as defined in the GUC Trust Agreement, in the amount of \$6,750,000 and shall be subject to payment and distribution pursuant to the terms of the Plan, the Confirmation Order, the GUC Trust Agreement and this Stipulated Order (the **“State Allowed Claim”**).

b. NYSDEC Amended Claim 71021 and the NYSDEC Initial Claims shall not be entitled to any distribution under the Plan, the Confirmation Order, the GUC Trust Agreement or this Stipulated Order and are hereby withdrawn with prejudice, which withdrawal shall be deemed accomplished by this Stipulated Order.

c. The Town Landfill Claim (numbered 47953) shall be treated as a Resolved Allowed General Unsecured Claim against MLC, as defined in the GUC Trust Agreement, in the amount of \$2,250,000 and shall be subject to payment and distribution pursuant to the terms of the Plan, the Confirmation Order, the GUC Trust Agreement and this Stipulated Order (the **“Town Allowed Claim”** and together with the State Allowed Claim, the **“Allowed Claims”**).

d. The Town Onondaga Claims (numbered 47951 and 47952) shall not be entitled to any distribution under the Plan, the Confirmation Order, the GUC Trust Agreement or this Stipulated Order and are hereby withdrawn with prejudice, which withdrawal shall be deemed accomplished by this Stipulated Order.

2. The actual net cash recovery of the distribution on behalf of the State Allowed Claim shall be credited against the State funding allocated to the Salina Landfill Site pursuant to the State Assistance Contract between the Town and NYSDEC.

3. Upon the completion of all distributions and payments due to the Claimants on account of the Allowed Claims pursuant to the terms of the Plan, the Confirmation Order, the

GUC Trust Agreement and this Stipulated Order, the Allowed Claims, shall be deemed fully settled and satisfied in full.

4. The GUC Trust and/or claims agent for these cases shall be authorized and empowered to adjust the claims register consistent with this Stipulated Order.

5. The Allowed Claims shall be entitled to receive payment in the next distribution pursuant to the terms of the Plan, the Confirmation Order, the GUC Trust Agreement, and this Stipulated Order. The Allowed Claims provided for herein shall be treated as provided under Section 4.3 of the Plan of Liquidation and shall not be subordinated to any other allowed Class 3 Unsecured Claim pursuant to any provision of the Bankruptcy Code or other applicable law that authorizes or provides for subordination of allowed claims, including, without limitation, Sections 105, 510, and 726(a)(4) of the Bankruptcy Code.

6. Upon receipt by NYSDEC and the Town of all distributions due on account of the Allowed Claims pursuant to the terms of the Plan, the Confirmation Order, the GUC Trust Agreement and this Stipulated Order, the GUC Trust and the Debtors shall be released from liability to NYSDEC and the Town for the underlying claims or causes of action asserted in the Claims. The release described in this Paragraph shall not become effective if the GUC Trust is in breach of this Stipulated Order. In such circumstances, the release would become effective only at the time any non-compliance is fully resolved.

7. Only the cash and net cash received upon the sale of non-cash distributions received by the State of New York and the Town pursuant to this Stipulated Order, and not the total amount of the Allowed Claims, shall reduce the liability of non-settling potentially responsible parties for the Salina Landfill Site.

8. All distributions under this Stipulated Order on behalf of both the State of New York and the Town shall be made to, and held in trust by:

10. In consideration of all of the distributions that will be made under the terms of this Stipulated Order and as provided for under the Plan and the GUC Trust Agreement, and except as specifically provided in Paragraphs 12 through 14 below, the State on behalf of NYSDEC, and the Town, covenant not to file a civil action or to take any administrative or other civil action against the post-effective date Debtors or the GUC Trust pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, with respect to the Salina Landfill Site. These covenants not to sue and reservations shall also apply to the post-effective date Debtors and the GUC Trust's successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of the GUC Trust or the post-effective date Debtors is based solely on its status as, and in its capacity as, a successor or assign, officer, director, employee, or trustee of the GUC Trust or the post-effective date Debtors.

11. Except with respect to any action to enforce this Stipulated Order, the Debtors and the GUC Trust hereby covenant not to sue for themselves or others, or take such action or to assert or pursue any claims or causes of action against the State of New York, NYSDEC, and/or the Town with respect to the matters addressed by this Stipulated Order. This covenant not to sue shall also apply to the GUC Trust's, the Debtor's, NYSDEC's and the State of New York's successors, assigns, directors, officers, employees, representatives, consultants and trustees.

12. The covenants not to sue set forth in this Stipulated Order shall extend only to the post-effective date Debtors, the GUC Trust, the State of New York, NYSDEC, the Town and the persons described in Paragraph 10 above and do not extend to any other person. Nothing in this Stipulated Order is intended as a covenant not to sue or a release from liability for any person or entity other than the GUC Trust and the persons or entities described in Paragraph 10 above.

The Parties expressly reserve all claims, demands, and causes of action, either judicial or administrative, past, present, or future, in law or equity, which they may have against all other persons, firms, corporations, entities, or predecessors of the GUC Trust for any matter arising at or relating in any manner to the Salina Landfill Site.

13. The covenants not to sue set forth above do not pertain to any matters other than those expressly specified therein.

14. The State of New York, the NYSDEC and the Town expressly reserve, and this Stipulated Order is without prejudice to, all rights against the GUC Trust and the post-effective date Debtors with respect to all matters other than those set forth above. The State and the Town specifically reserve such rights, and this Stipulated Order is without prejudice to and shall not affect, any action based on a failure to meet a requirement of this Stipulated Order. The State also specifically reserves any action based on (i) criminal liability; (ii) liability with respect to any Site other than the Salina Landfill Site. In addition, the State of New York, the NYSDEC and the Town reserve, and this Stipulated Order is without prejudice to, all rights against the GUC Trust with respect to the Salina Landfill Site and any other Site for liability under federal or state law as a result of acts by the GUC Trust, the Debtors, or their respective successors, or assigns that occur after the date of entry of this Stipulated Order. Nothing in this Stipulated Order shall be deemed to limit or affect the authority of the State of New York to take summary abatement or response actions under any applicable law or regulation, or to alter the applicable legal principles governing judicial review of any action taken pursuant to such authority, or to alter the applicable legal principles governing judicial review of any action taken by NYSDEC pursuant to that authority. Nothing in this Consent Decree and Settlement Agreement shall be deemed to limit the information-gathering authority of the State of New York under any

applicable law or regulation, or to excuse the Debtors or the GUC Trust from any disclosure or notification requirements imposed any applicable law or regulation. However, nothing herein shall constitute a modification of the automatic stay under section 362 of the Bankruptcy Code or the terms of the Plan.

15. With regard to claims for contribution against the GUC Trust or the Debtors, the Parties hereto agree that the GUC Trust and the Debtors, and their respective successors and assigns, are entitled to protection from contribution actions or claims as provided by the CERCLA Section 113(f)(2), 42 U.S.C. § 9613(f)(2), or as otherwise provided by law, for the “matters addressed” in this Stipulated Order. The “matters address” in this Stipulated Order, as that term is used in Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), include all past and future response costs, including any oversight costs and any costs relating to natural resource damages, relating to or arising from the Salina Landfill Site referenced in the Claims.

16. The GUC Trust also agrees that with respect to any suit or claim for contribution brought against them for matters related to this Stipulated Order, it will notify NYSDEC and the Town in writing within thirty (30) days of their receipt of service of such suit or claim. NYSDEC and the Town shall have no obligation to appear, intervene or defend the GUC Trust or the Debtors in any such suit or claim for contribution. Nothing herein shall create any rights in any person or third party; provided, however, that only the funds actually received by NYSDEC and the Town under this Stipulated Order shall reduce the potential liability of any other potentially responsible or liable person for the contaminated sites underlying the Claims herein. The term “funds actually received” shall mean the number and amount of United States dollars that NYSDEC and the Town receive after causing the distribution to be sold or otherwise converted to United States dollars, exclusive of any fees or transaction costs incurred. The

Parties expressly reserve all claims, demands and causes of action, judicial or administrative, past, present or future, in law or equity, which they may have against any other person or entity for any matter arising from or related in any manner to the Claims addressed herein.

17. The GUC Trust shall promptly seek approval of this Stipulated Order under Bankruptcy Rule 9019 or other applicable provisions of the Bankruptcy Code, if necessary. It is the intention of the GUC Trust to have this Stipulated Order entered by the Bankruptcy Court in time to have the Allowed Claims paid in the quarterly distributions made to claims allowed as of September 30, 2012.

18. This Stipulated Order contains the entire agreement between the Parties as to the subject matter hereof.

19. This Stipulated Order may not be modified other than by signed writing executed by the Parties hereto or by order of the Court.

20. Each person who executes this Stipulated Order represents that he or she is duly authorized to do so on behalf of the respective Parties hereto and that each such party has full knowledge and has consented to this Stipulated Order.

21. This Stipulated Order may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument, and it shall constitute sufficient proof of this Stipulated Order to present any copy, copies, or facsimiles signed by the Parties hereto to be charged.

22. This Stipulated Order shall become binding and effective upon its approval and entry by the Bankruptcy Court, upon motion of the GUC Trust, on notice to parties in interest in accordance with the Bankruptcy Code and Rules. Upon approval and execution of this

Stipulated Order by the Parties, the GUC Trust shall promptly prepare, file and serve such motion for approval of this Stipulated Order.

23. This Stipulated Order, and any disputes arising in connection with this Stipulated Order, shall be exclusively governed by and construed and enforced in accordance with the laws of the state of New York, without regard to conflicts of law principles thereof.

24. The Court shall retain jurisdiction to adjudicate any disputes arising from this Stipulated Order.
