This differs from the First Revised Calculation which used the market price for the securities at quarter end for such conversion. For additional on future gains from the disposition of New GM Securities from a dollar value into the number of New GM Securities comprising the Taxes on Distribution related to a change in the calculation of securities to be set aside (the "Second Revised Calculation"). The Second Revised Calculation uses the lowest market Distribution Reserve for the quarter ended September 30, 2012, the GUC Trust Administrator determined that it was necessary to include 231,663 additional result of increases to reserves for expected costs of liquidation. In addition, as a result of the GUC Trust Administrator's quarterly reevaluation of the Taxes on During the quarter ended September 30, 2012, additional Reserved Securities consisting of 35,934 additional shares of New GM Common Stock and 32,668 2012, the aggregate amounts of Reserved Securities consisted of 5,662,868 shares of New GM Common Stock and 5,148,062 warrants of each class of warrants information, see the disclosure in the Form 8-K of the GUC Trust filed with the SEC on September 27, 2012. As a result of such increases, as of September 30, price for the securities since December 15, 2011 (the date the New GM Securities were transferred to the GUC Trust from MLC) in converting the potential taxes

amounts of Reserved Securities consisted of 6,826,720 shares of New GM Common Stock and 6,206,109 warrants of each class of warrants shares of New GM Common Stock and 584,941 additional warrants of each class of warrants in the Taxes on Distribution Reserve. This increase was primarily related to the increase in the fair market value of New GM Securities during the period. As a result of such increases, as of December 31, 2012, the aggregate Distribution Reserve for the quarter ended December 31, 2012, the GUC Trust Administrator determined that it was necessary to include 643,435 additional additional warrants of each class of warrants were set aside to fund projected GUC Trust Administrative Costs and Reporting and Transfer Costs, primarily as a result of increases to reserves for expected costs of liquidation. In addition, as a result of the GUC Trust Administrator's quarterly reevaluation of the Taxes on During the quarter ended December 31, 2012, additional Reserved Securities consisting of 520,417 additional shares of New GM Common Stock and 473,106

of the Reserved Securities, the proceeds of which (net of any applicable costs, fees, expenses and taxes payable in respect thereof) would approximate \$11,363,300 to satisfy GUC Trust Administrative Costs estimated for 2013, and \$6,489,100 to satisfy Reporting and Transfer Costs estimated for 2013. A copy of the Second Liquidation Order is available at the Motors Liquidation Company GUC Trust website at https://www.mlcguctrust.com/ On December 11, 2012, the Bankruptcy Court entered an order (the "Second Liquidation Order") authorizing the GUC Trust Administrator to liquidate a portion
