

**Notice of objection to the Bankruptcy proceedings of
General Motors Corp., et al,**

Chapter 11 case No. 09-50026 (REG)

**I object to any corporation, company, or individual that uses
or moves assets to another location or country and then has the
nerve to say, "We're bankrupt in north America only".**

**I submit that all GM assets outside of the USA be retrieved or
included as assets towards the finding of bankruptcy in these
proceedings.**

**Another option would be to allow all citizens to move all their
assets to a Swiss bank account and then be permitted to claim
they're "bankrupt in North America only".**
