OBJECTION OF TEXTRON INC. TO
ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY
CONTRACTS AND CURE AMOUNTS RELATED THERETO

Textron Inc. ("Textron"), by its attorneys Foley & Lardner LLP, submits this objection

(the "Objection") to the Debtors' assumption and assignment of certain executory contracts and

the Debtor's proposed Cure Amounts related thereto. In support of its Objection, Textron states

as follows:

PRELIMINARY STATEMENT

1.   Textron has various divisions and subsidiaries that have done business with

Debtors. These divisions and subsidiaries include: CWC Division of Textron Inc., Kautex Inc.,

Kautex Corporation, Kautex of Georgia Inc., Kautex de Mexico S.A. de C.V., and Kautex Textron CVS Ltd. (collectively "Suppliers").

2.　　　Suppliers previously received two Notices of (I) Debtors' Intent to Assume and Assign Certain Executory Contracts, Unexpired Leases of Real Property, and Unexpired Leases of Nonresidential Real Property and (II) Cure Amounts Related Thereto (the "Assumption and Assignment Notices"), dated June 5, 2009, in which the Debtors purported to designate certain agreements between Suppliers and the Debtors (the "Assumable Executory Contracts") that may be assumed and assigned to Vehicle Acquisition Holdings LLC (the "Purchaser").　One Notice was addressed to "Textron Inc."　The other was addressed to "Kohlberg & Co LLC … c/o Textron Automotive."　Suppliers filed objections to the Assumption and Assignment Notices. (Dkt. 1457).

3.　　　Suppliers subsequently received an additional Assumption and Assignment Notice dated June 15, 2009 addressed to "Textron Inc." ("Additional Notice").　In response to the Additional Notice, Suppliers incorporate by reference the objections set forth at Dkt. 1457 as though fully set forth herein.

4.　　　Per the instructions in the Additional Notice, Suppliers accessed the website "www.contractnotices.com" using the User ID and Password listed in the Additional Notice. Many of the Assumable Executory Contracts listed under the User ID and Password included in the Additional Notice were not recognizable to Suppliers and did not appear to correspond to any business or alleged contractual relationship between Debtors and Suppliers.　In fact, many of the Assumable Executory Contracts appeared to correspond to contractual relationships with parties other than Suppliers.

5.   In addition, the information contained in the website "www.contractnotices.com"

under the User ID and Password listed in the Additional Notice appears to be dynamic such that

Debtors are changing the data over time making it nearly impossible for Suppliers to reconcile

the data.

6.   Suppliers reserve their rights to object to any additional and/or amended notice of

assumption and assignment received from the Debtors and/or the Purchaser and to any changes

to the information contained on the secure website referenced in the Assumption and Assignment

Notices.

RELIEF REQUESTED

WHEREFORE, Suppliers request that the Court enter an order denying the Debtors'

request to assume and assign the Assumable Executory Contracts, and grant such other and

further relief as the Court deems just and proper.
