Shares End Mixed as Fed Holds Rates Steady

By Reuters

Shares closed mixed on Wednesday after the Federal Reserve reiterated its intention to keep interest rates low for the foreseeable future to ensure a sustainable economic recovery.

Wall Street trimmed its gains on news that the Fed voted unanimously to keep benchmark borrowing costs in a range of zero to 0.25 percent, which are record lows.

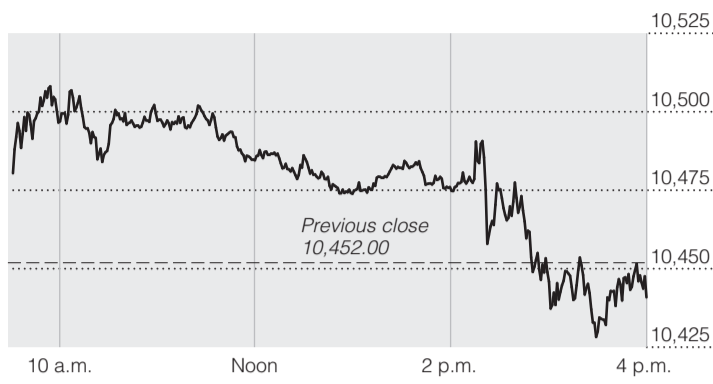

The central bank's policy-making committee also reminded markets that it would allow most of its special liquidity facilities, which have helped bolster the banking system since last year's credit crisis, to expire by early next year.

"The liquidity pullback, people are looking at it and saying we're not going to get that free run that we've had in the stock market, we're not going to have all that free capital that we had previously," said Dan Cook, senior market analyst at IG Markets. "That will have people concerned, heading into the new year."

Financial stocks, which had initially climbed after reports that banking regulators would give in-

situations a grace period before enforcing more stringent capital rules, also slipped after the Fed's statement.

By the end of the day, the Dow Jones industrial average was down 10.88 points, or 0.10 percent, at 10,441.12. But the Standard & Poor's 500-stock index gained 1.25 points to 1,109.18. The Nasdaq added 5.86 points, or 0.27 percent, to 2,206.91.

After the closing bell, Citigroup shares slid 5.2 percent to \$3.27, on reports that the bank's equity offering had been priced at \$3.15 a

share. The chip maker Intel slid 2.1 percent to \$19.38 after the federal government accused the company of using its market dominance to stifle competition.

Honeywell International, the largest maker of cockpit electronics, dropped 2.1 percent, to \$40.37, after it forecast a drop of 13 to 21 percent in net profit next year.

Among other factors of note to investors was news from Washington that two bills were introduced to reinstate the 1930s-era Glass-Steagall Act to split commercial and investment banking.

Credit Suisse Settles Inquiry Over Iran Sanctions

By JOHN ELIGON

They referred to banks with code names like "Iron" and "Wood." Sometimes they just used initials.

For nearly two decades, employees of Credit Suisse, Switzerland's second-largest bank after UBS, helped their clients in Iran and other countries avoid sanctions by concealing their identities when they did business with the United States, federal and New York State authorities said at separate news conferences on Wednesday.

Credit Suisse ended the practicing of helping its clients skirt sanctions in 2006 and agreed to pay federal and state authorities \$536 million to settle the charges.

"Credit Suisse abused its standing as a leader in international banking by intentionally

processing these illegal payments through U.S. banks," Robert M. Morgenthau, the Manhattan district attorney, told reporters in his office.

The announcement was the culmination of a two-year joint investigation by Mr. Morgenthau's office, and the Justice Department and Treasury Department.

Credit Suisse routinely manipulated wire transfer orders to conceal their origins, the authorities said. From 2002 to 2006, the Swiss bank processed more than \$700 million worth of payments through the United States for banks banned from doing business in the country, the authorities said. In addition to Iran, the banks were from Libya and Sudan, the authorities said.

Mr. Morgenthau said investigators found another \$1.1 billion

worth of transactions dating back to the late 1980s for Iranian banks that were not necessarily subject to sanctions.

The money will be split evenly among the federal authorities and Mr. Morgenthau's office.

It was the second settlement this year that resulted from a joint investigation with the Manhattan district attorney's office and federal authorities.

In January, the British bank Lloyds TSB Group agreed to pay \$350 million after admitting to helping illicitly funnel money from Iran and other countries through American banks.

"Why would a bank like Lloyds or Credit Suisse risk this?" Mr. Morgenthau said. "They were making money on the deposits put in their bank by the Iranian banks. That's the incentive."

1. WHO MUST FILE A PROOF OF CLAIM

Acts or omissions of the REALM/ENCORE Debtors that occurred before October 9, 2009 may give rise to claims against the REALM/ENCORE Debtors that must be filed by the applicable Bar Date, notwithstanding that such claims may not have matured or become fixed or liquidated or certain prior to October 9, 2009.

Pursuant to section 101(5) of the Bankruptcy Code and as used in this Notice, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured. Notwithstanding the foregoing, if you are a party to an executory contract or unexpired lease and you wish to assert a claim on account of unpaid amounts accrued and outstanding as of October 9, 2009 pursuant to that executory contract or unexpired lease (other than a rejection damages claim), you must file a Proof of Claim for such amounts on or before the applicable REALM/ENCORE Bar Date unless an exception identified above applies.

If you are the holder of the claim, and property will be forever discharged from any and all indebtedness or liability with respect to the claim, and the holder will not be permitted to vote to accept or reject any chapter 11 plan filed in these chapter 11 cases, participate in any distribution of any of the REALM/ENCORE Debtors' estates, or file a Proof of Claim, or receive further notices with respect to any of the REALM/ENCORE Debtors' chapter 11 cases.

7. THE REALM/ENCORE DEBTORS' SCHEDULES, ACCESS THERETO, AND CONSEQUENCES OF AMENDMENT THEREOF
You may be listed as the holder of a claim against one or more of the REALM/ENCORE Debtors in the REALM/ENCORE Debtors' Schedules of Assets and Liabilities and/or Schedules of Executory Contracts and Unexpired Leases (collectively, the "Schedules"). If you rely on the REALM/ENCORE Debtors' Schedules, it is your responsibility to determine that the claim is accurately listed in the Schedules.

As set forth above, if you agree with the classification and amount of your claim as listed in the REALM/ENCORE Debtors' Schedules, and if you do not dispute that your claim is only against the specified REALM/ENCORE Debtor, and if your claim is not described as "disputed," "contingent," or "unliquidated," you need not file a Proof of Claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable REALM/ENCORE Bar Date in accordance with the procedures set forth in this Notice.

Copies of the Schedules may be examined by interested parties on the Court's electronic docket for the REALM/ENCORE Debtors' chapter 11 cases, which is posted on the Internet at www.motorsliquidation.com and www.uscourts.gov (a PACER login and password are required and can be obtained through the PACER Service Center at www.pacer.psc.uscourts.gov). In the event that the REALM/ENCORE Debtors amend their Schedules to (a) designate a claim as disputed, contingent, unliquidated, or undetermined, (b) change the amount of a claim reflected therein, (c) change the classification of a claim reflected therein, or (d) add a claim that was not listed on the Schedules, the REALM/ENCORE Debtors will notify you of the amendment. In such case, the deadline for you to file a Proof of Claim on account of any such claim is the later of (a) the applicable REALM/ENCORE Bar Date and (b) the date that is thirty days after the REALM/ENCORE Debtors provide notice of the amendment.

A holder of a possible claim against the REALM/ENCORE Debtors should consult an attorney regarding any matters not covered in this Notice, such as whether the holder should file a Proof of Claim.

A peek at artifacts in Vatican's 'secret' archives

By Andreas Solaro, AP/Getty Images

St. Peter's: Part of the secret history of the West is unveiled in *The Vatican Secret Archives*.

Papal history, from Ghengis Khan to modern-day letters

By Francis X. Rocca
Religion News Service

VATICAN CITY — The movie *Angels & Demons* portrays the Vatican Secret Archives as a high-tech marvel, with its holdings protected in a low-oxygen environment encased in bulletproof glass.

The reality is more old-fashioned: Storage areas are not even air-conditioned, and researchers still consult a handwritten card catalog.

Yet one thing Hollywood hasn't exaggerated is the value of the archives' collection, which spans 1,200 years and documents the story of the papacy in its dealings with princes, potentates, heretics and saints around the world. A sampling of those treasures is available in a new book, *The Vatican Secret Archives*, from the Belgian publisher VdH Books. It has high-quality reproductions of 105 documents, 19 of which have never been published before.

A 13th-century letter from the grandson of Ghengis Khan to Pope Innocent IV includes, in its seal, one of the earliest examples of written Mongolian. In the letter, the Mongol emperor orders the pope to "pay service and homage to us" (an invitation Innocent did not accept).

One of the many reminders of the papacy's once-

Pius XI: Died in 1939; records are accessible.

Pius XII: World War II-era records are closed.

great geopolitical role is found in a 1493 bull of Pope Alexander VI, granting Spain's King Ferdinand and Queen Isabella dominion over the New World discovered by Columbus the previous year.

A 1586 letter to Pope Sixtus V from Mary, Queen of Scots, was written a few months before she was beheaded for plotting against her cousin, England's Queen Elizabeth I. Mary asks forgiveness for her sins and warns the pope of treacherous cardinals.

In a 1550 letter, Michelangelo complains that a long papal conclave has interrupted his work on the dome of St. Peter's Basilica, and he needs money.

One of the most remarkable selections in the book is an 1887 letter from Canadian Indians to

Pope Leo XIII. Written on birch bark, the letter is dated "where there is much grass, in the month of the flowers" (Grassy Lake, Ontario, in May) and addresses the pope as the "Great Master of Prayer, he who holds the place of Jesus."

Such an object is, of course, too fragile to be handled by visitors; researchers ordinarily view the archives' medieval holdings on CD-ROM.

The institution as a whole has been open to scholars since 1881; some 1,500 pass through its reading room every year. Contrary to *Angels & Demons*, the Harvard professor played by Tom Hanks would have had no difficulty getting a user's pass.

But the Vatican restricts access to documents after a certain date. Researchers can currently consult holdings through the reign of Pope Pius XI, who died in 1939. That restriction has frustrated those with questions about Pope Pius XII, who critics say did not do or say enough to stop the Holocaust.

Historians and Jewish leaders have called for the opening of the archives from that period, but the Vatican said last year that it would be unable to oblige them before 2014. The reason, archivists say, is simply technical: More than 15,000 envelopes and about 2,500 bound volumes of documents first need to be catalogued and prepared.

With the advent of e-mail, the challenge will be even greater for future pontificates. Under Vatican rules, every piece of electronic correspondence must be preserved in the form of a printed copy.

YOU SHOULD CONSULT AN ATTORNEY IF YOU HAVE ANY QUESTIONS, INCLUDING WHETHER YOU SHOULD FILE A PROOF OF CLAIM.

1. WHO MUST FILE A PROOF OF CLAIM

YOU MUST file a Proof of Claim to vote on a chapter 11 plan filed by the REALM/ENCORE Debtors or to share in any of the REALM/ENCORE Debtors' estates if you have a claim that arose prior to **October 9, 2009**, including a 503(b)(9) Claim, and it is not one of the other types of claims described in Section 2 below. Acts or omissions of the REALM/ENCORE Debtors that occurred before **October 9, 2009** may give rise to claims against the REALM/ENCORE Debtors that must be filed by the applicable Bar Date, notwithstanding the fact that such claims are not matured or become fixed or liquidated or certain prior to **October 9, 2009**.

Pursuant to section 101(5) of the Bankruptcy Code and as used in this Notice, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, legal, or equitable, or certain, or claims include unsecured claims, secured claims, priority claims, and 503(b)(9) Claims.

2. WHO NEED NOT FILE A PROOF OF CLAIM

(a) Your claim is listed on the Schedules (as defined below) and (i) is not described in the Schedules as "disputed," "contingent," or "unliquidated," (ii) you do not dispute the amount or nature of the claim set forth in the Schedules, and (iii) you do not dispute that the claim is an obligation of the specific REALM/ENCORE Debtor against which the claim is listed on the Schedules;

(b) Your claim has been paid in full;

(c) You hold a claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an administrative claim; **however, 503(b)(9) Claims are subject to the REALM/ENCORE General Bar Date as provided above.** Section 503(b)(9) provides in part: "... there shall be allowed administrative expenses...including... (9) the value of any goods received by the debtor within 20 days before the date of commencement of a case under this title in which the goods have been sold to the debtor in the ordinary course of such debtor's business." Accordingly, if you have a 503(b)(9) Claim, you must file a Proof of Claim on or before the REALM/ENCORE General Bar Date.

(d) You hold a claim that has been allowed by an order of the Court entered on or before the applicable REALM/ENCORE Bar Date;

(e) You hold a claim against any of the REALM/ENCORE Debtors for which a separate deadline is fixed by the Court (whereupon you will be required to file a Proof of Claim by that separate deadline);

(f) You are a REALM/ENCORE Debtor in these cases having a claim against another Debtor;

(g) You are an affiliate (as defined in section 101(2) of the Bankruptcy Code) of any REALM/ENCORE Debtor as of the REALM/ENCORE Bar Date; or

(h) You hold a claim for which you have already properly filed a Proof of Claim against any of the REALM/ENCORE Debtors with the Clerk of the Court or The Garden City Group, Inc., the Debtors' claims agent, utilizing a claim form that substantially conforms to the Proof of Claim Form (as defined below) or Official Form 10.

YOU SHOULD NOT FILE A PROOF OF CLAIM IF YOU DO NOT HAVE A CLAIM AGAINST THE REALM/ENCORE DEBTORS.

3. EXECUTORY CONTRACTS AND UNEXPIRED LEASES
If you hold a claim arising from the rejection of an executory contract or unexpired lease, you must file a Proof of Claim based on such rejection by the later of (i) the applicable REALM/ENCORE Bar Date, and (ii) the date which is **thirty days** following the entry of the order approving such rejection or you will be forever barred from doing so. Notwithstanding the foregoing, if you are a party to an executory contract or unexpired lease and you wish to assert a claim on account of unpaid amounts accrued and outstanding as of October 9, 2009 pursuant to that executory contract or unexpired lease (other than a rejection damages claim), you must file a Proof of Claim for such amounts on or before the applicable REALM/ENCORE Bar Date unless an exception identified above applies.

4. WHEN AND WHERE TO FILE

All Proofs of Claim must be filed so as to be **actually received** on or before the applicable REALM/ENCORE Bar Date at the following address:

If by overnight courier or hand delivery to: The Garden City Group, Inc. Attn: Motors Liquidation Company Claims Processing 5151 Blazer Parkway, Suite A New York, New York 10004
Or if by hand delivery to: United States Bankruptcy Court, SDNY One Bowling Green Room 534 New York, New York 10004

Proofs of Claim will be deemed timely filed only if **actually received** by The Court or the Court on or before the applicable REALM/ENCORE Bar Date. Proofs of Claim may **not** be delivered by facsimile, teletype, or electronic mail transmission.

5. WHAT TO FILE

If you file a Proof of Claim, your filed Proof of Claim must: (i) be written in the English language; (ii) be denominated in lawful currency of the United States; (iii) conform substantially to Official Bankruptcy Form No. 10 ("Proof of Claim Form"); (iv) state the REALM/ENCORE Debtor against which it is filed; (v) set forth with specificity the legal and factual basis for the alleged claim; (vi) include supporting documentation or an explanation as to why such documentation is not available; and (vii) be signed by the claimant or, if the claimant is not an individual, by an authorized agent of the claimant.

IF YOU ARE ASSERTING A CLAIM AGAINST MORE THAN ONE REALM/ENCORE DEBTOR, SEPARATE PROOFS OF CLAIM MUST BE FILED AGAINST EACH SUCH REALM/ENCORE DEBTOR AND YOU MUST IDENTIFY ON YOUR PROOF OF CLAIM THE SPECIFIC REALM/ENCORE DEBTOR AGAINST WHICH YOUR CLAIM IS ASSERTED AND THE CASE NUMBER OF THAT REALM/ENCORE DEBTOR'S BANKRUPTCY CASE. THE NAMES OF THE REALM/ENCORE DEBTORS AND THEIR CASE NUMBERS ARE SET FORTH ABOVE.

Proof of Claim Forms may be obtained at www.uscourts.gov/bk/forms/ or www.motorsliquidation.com.

YOU SHOULD ATTACH TO YOUR COMPLETED PROOF OF CLAIM FORM COPIES OF ANY WRITINGS UPON WHICH YOUR CLAIM IS BASED. IF THE DOCUMENTS ARE VOLUMINOUS, YOU SHOULD ATTACH A SUMMARY.

6. CONSEQUENCES OF FAILURE TO FILE A PROOF OF CLAIM BY THE APPLICABLE BAR DATE

Except with respect to claims of the type set forth in Section 2 above, any creditor who fails to file a Proof of Claim on or before the applicable REALM/ENCORE Bar Date in accordance with the procedures described in this Notice for any claim such creditor holds or wishes to assert against each of the REALM/ENCORE Debtors, will be forever barred - that is, forbidden - from asserting the claim against each of the REALM/ENCORE Debtors and their respective estates (or filing a Proof of Claim with respect to the claim), and each of the REALM/ENCORE Debtors and their respective chapter 11 estates, successors, and property will be forever discharged from any and all indebtedness or liability with respect to the claim, and the holder will not be permitted to vote to accept or reject any claim in these chapter 11 cases, participate in any distribution in any of the REALM/ENCORE Debtors' chapter 11 cases on account of the claim, or receive further notices with respect to any of the REALM/ENCORE Debtors' chapters 11 cases.

7. THE REALM/ENCORE DEBTORS' SCHEDULES, ACCESS THERETO, AND CONSEQUENCES OF AMENDMENT THEREOF

You may be listed as the holder of a claim against one or more of the REALM/ENCORE Debtors in the REALM/ENCORE Debtors' Schedules of Assets and Liabilities and/or Schedules of Executory Contracts and Unexpired Leases (collectively, the "Schedules"). If you rely on the REALM/ENCORE Debtors' Schedules, it is your responsibility to determine that the claim is accurately listed in the Schedules.

As set forth above, if you agree with the classification and amount of your claim as listed in the REALM/ENCORE Debtors' Schedules, and if you do not dispute that your claim is only against the specified REALM/ENCORE Debtor, and if your claim is not described as "disputed," "contingent," or "unliquidated," you need not file a Proof of Claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable REALM/ENCORE Bar Date in accordance with the procedures set forth in this Notice.

Copies of the Schedules may be examined by interested parties on the Court's electronic docket for the REALM/ENCORE Debtors' chapter 11 cases, which is posted on the Internet at www.motorsliquidation.com and www.uscourts.gov (a PACER login and password are required and can be obtained through the PACER Service Center at www.pacer.psc.uscourts.gov). Copies of the Schedules may also be examined by interested parties between the hours of 9:00 a.m. and 4:30 p.m. (Eastern Time) at the office of the Clerk of the Bankruptcy Court, United States Bankruptcy Court for the Southern District of New York, One Bowling Green, Room 511, New York, New York 10004. Copies of the REALM/ENCORE Debtors' Schedules may also be obtained by written request to the REALM/ENCORE Debtors' claims agent at the address and telephone number set forth below:

The Garden City Group, Inc.
Attn: Motors Liquidation Company
P.O. Box 9386
Dublin, Ohio 43017-4286
1-703-286-6401

In the event that the REALM/ENCORE Debtors amend their Schedules to (a) designate a claim as disputed, contingent, unliquidated, or undetermined, (b) change the amount of a claim reflected therein, (c) change the classification of a claim reflected therein, or (d) add a claim that was not listed on the Schedules, the REALM/ENCORE Debtors will notify you of the amendment. In such case, the deadline for you to file a Proof of Claim on account of any such claim is the later of (a) the applicable REALM/ENCORE Bar Date and (b) the date that is **thirty days** after the REALM/ENCORE Debtors provide notice of the amendment.

A holder of a possible claim against the REALM/ENCORE Debtors should consult an attorney regarding any matters not covered in this Notice, such as whether the holder should file a Proof of Claim.

Four Cougars place at mat invite

Garden City's boys wrestling team stepped away from dual meet competition last Saturday to host to its long-running invitational involving top teams from surrounding communities.

When the final seconds ticked away in the final match of the day, Dearborn Heights Annapolis was crowned champion of the 45th Garden City Wrestling Invitational.

The Cougars claimed the top spot ahead of runner-up Riverview and third-place North Farmington, which featured the likes of Upper Weight MVP Brian Miller (160).

Gibraltar Carlson placed fourth and Grosse Ile followed to round out the top five.

The remaining order of finish included Walled Lake Western, Livonia Churchill, Dearborn Fordson, Romulus, Garden City, Berkley, Livonia Clarenceville, Riverview Gabriel Richard, Lutheran Westland and Inkster.

The host Cougars produced a pair of fifth-place finishers

and two sixth-place performers. Kevin Allard and Zack Copper both placed fifth in their respective weight classes, while Jeremy Dubiak and Zack Brock each finished sixth.

"Overall it was a good day," Garden City head coach Donald Giese said. "The tournament went well and we got great experience as a young team. I think we're doing real well and the kids are working hard."

ROCHESTER INVITATIONAL: Westland John Glenn's wrestling team stands 12-2 overall after finishing 4-1 Saturday in the Rochester Invitational dual match tournament.

The Rockets defeated West Bloomfield, 49-20; Ferndale, 54-19; Anchor Bay, 45-26; and the host Falcons, 42-28, before falling to Holt, ranked No. 5 in Division 1, 41-26.

Seniors Dustin Gajowiak (285 pounds), Anthony Pavlich (130), Joshua Austin (125) and Mark Thompson (135) all went undefeated on the day.

Glenn's 'B' team was also in action Saturday, taking runner-up honors at Galesburg-Augusta team tournament.

Freshman Quinn DuPaw (103) and Derrick Campbell (285) both went 5-0 on the day as the Rockets defeated Lawton (42-33), Gobles (48-23), Cassopolis (48-31) and the host Rams (54-24) before losing to Gull Lake in the finals (63-14).

On Dec. 10, Glenn made a case to earn a top ten wrestling rankings in Division 1 after earning a pair of victories over perennial state power Davison, 43-27, and host Linden, 46-24.

The Rockets received individual victories against Davison from Kyle Gillies (103 pounds), Steven Wakeford (112), Pavlich (130), Kevin Wacker (145), Michael Johnson (152), Zach Redden (160), Kameron Jones (171) and Gajowiak (285).

Glenn completed his sweep over the host Eagles as Gillies (103), Wakeford (112), Steve Shak (119), Austin (125), Pavlich

(130), Thompson (135), Redden (160), Jones (171) and Gajowiak (285) posted wins.

AVONDALE TEAM DUAL: Livonia Stevenson wound up with a third-place finish in Saturday's Auburn Hills Avondale Team dual tournament.

Madonna men clipped by Rochester College

BY BRAD EMONS
OBSERVER STAFF WRITER

The Madonna University men's basketball team was unable to parlay its biggest win of the season Friday - falling on the second day of the 2009 State Farm Classic Saturday to visiting Rochester College, 65-61.

The 2-9 Crusaders, who upset 7-1 Notre Dame College (Ohio) on Friday, 78-72, ran out of gas down the stretch in their bid to beat the Warriors, who improved to 8-7 overall.

Four Rochester players scored in double figures led by Classic MVP Ricky Doron and Plymouth native Michael Graham with 14 each.

Marques Ewell added 12,

while Adrian Shaffer II contributed 10.

Bryant Slaughter (Westland), named to the All-Tournament team, paced the Crusaders with a game-high 21 points on 8-of-16 shooting from the field. He was 5-of-9 from three-point range.

Geoff Gaylor, a 6-foot-8 junior center, added 18 points and 10 boards.

MU enjoyed a 33-31 half-time advantage and led 50-47 on a three-pointer with 8:49 remaining. But Rochester regrouped and outscored the Crusaders 18-12 down the stretch to earn the win. It was the second win for the Warriors this season over MU, the first coming Nov. 10 (82-76).

"We played hard last night and most of this game," MU coach Noel Emehiser said. "We kind of let this game slip through our fingers."

"We were not getting the loose balls or rebounds."

With 6-7 junior Ryan Waidmann (Canton), the team's leading rebounder (6.3 per game) out this weekend for personal reasons, Emehiser had to shorten his bench.

"We're trying to build some chemistry and we went with an eight- and nine-man rotation," the MU coach said. "Because Ryan did not play, we were kind of short, especially underneath."

Gaylor's play during the weekend has given Emehiser cause for encouragement. The

Roscommon native nearly recorded a double-double (20 points, nine rebounds) in the win Friday over Notre Dame, which received votes last week in the NAIA Division II national poll.

"What Geoff's been doing on the court has been much better," Emehiser said. "He's playing with confidence and poise. He's shown the ability to score in the post, which is something we've lacked."

MU will close out the 2009 calendar portion of its schedule Wednesday, Dec. 16 at Defiance College (Ohio) and Dec. 29-30 in the Russ DeVette Tournament hosted by Hope College.

Lady Ocelots hold off upset-minded Skippers

Call it the "Great Escape" for the Schoolcraft College women's basketball team on Saturday.

The host Lady Ocelots, ranked No. 2 nationally in the latest NJCAA Division II poll, overcame 29 turnovers and held off a valiant effort by upset-minded St. Clair County Community College for a 62-58 triumph.

Angie Burrell's two free throws with 25 seconds left helped secure Schoolcraft's 43rd straight win at home and 32nd straight Eastern Conference win in the Michigan Community College

Athletic Association.

The Lady Ocelots, now 14-0 overall and 5-0 in the conference, held double-digit leads of 50-37 (with 12:35 left) and 54-42 (with 7:30 left) during the second half, but could not shake the stubborn Skippers (7-3, 2-1).

April Goins had 13 points and seven rebounds to pace Schoolcraft. Antania Shepherd added 12 points and nine rebounds and Kimberly Bee also grabbed nine rebounds for Schoolcraft.

Chanahl Putnam paced St. Clair with 20 points. Mariah Spicer added 14.

It was also Schoolcraft's 64th conference win in the last 66 games. The Ocelots' closest win during that stretch was an identical 62-58 triumph over St. Clair (Feb. 12, 2009). The last loss was Jan. 23, 2008 (62-59 vs. Oakland CC).

MADONNA 80, ST.-MARY (IND.) 64: Junior Tabatha Wydryck notched her fourth 20-point game of the season Saturday as Madonna University (4-4) led four players in double figures to beat St. Mary-of-the-Woods (2-4) to close out the St. Ambrose Classic (I.a.) at Lee Lohman Arena.

Wydryck finished with 21 points and nine rebounds.

Also scoring in double figures was Kaylee McGrath (Livonia Stevenson),

Erin Bentley, 16; and Katie Mount, 12.

Chelsey Barron led St. Mary-of-the-Woods with 19 points, while Brittany Shaner added 15.

MU led 48-40 at halftime hitting 18-of-37 shots from the floor, including 5-of-10 from three-point range.

Carmel, fruitful vine, splendor of heaven, Blessed Mother of the son of God, immaculate virgin, assume me in my necessity, Oh sister of the sea, help me and show me that you are my mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to help me in my necessity (make your request). There are none that can withstand your power. FRAUD: Ongoing vigilance, adhering to preventive plans can stop scams

FROM PAGE 17

Kohl said. Scott Brouillette, a principal with BKD Technologies in Kansas City, said the best way to uncover fake vendor scams is to run through a vendor listing and look up companies on the list to make sure they are real. But the situation usually can be avoided in the first place by making sure that procurement employees don't also have authority to pay bills and that they are required to get multiple bids. Brouillette said businesses also

should look for straight-out inventory theft, where employees simply steal high-value items and sell them, on eBay perhaps. "If you're not doing physical counts on a regular basis, when you get to the end of the year and finally see a large variance, then you have to try and piece it together, when it's probably too late to catch the culprit," Brouillette said. John Mallery, director of computer forensics for BKD in Kansas City, said many of the most common scams against businesses involve a person

who is deemed trustworthy and given too much authority over finances. "It's often a small business like a doctor's office, where one person keeps track of everything," Mallery said. "We worked on a case where a woman applied for credit cards in the doctors' names and maxed them out. She also spent money on herself that was supposed to be used for payroll taxes. It actually reached six figures and shut the business down." Mallery said another common fraud these days is by employees who don't get a raise, so they take proprietary information to a business competitor in exchange for a higher-paying job.

"It could be a five-year plan they just completed for your business and took to a competitor," he said. "Now that competing business doesn't have to spend the time, money and effort to develop a plan. We see a lot of that." Mallery said the best way to combat this is to treat employees fairly and ensure that they understand why business decisions are made. An Association of Certified Fraud Examiners study showed that almost 24 percent of employee fraud occurs because employees rationalize it as justified by perceived unfair or unjust treatment. RSM McGladrey's Kohl said most scams against businesses are found out by tips from employees. So businesses should set up a hot line or a tip box that makes it easy for employees to provide tips anonymously and without fear of reprisal.

Kohl also recommended closely

scrutinizing financial statements and looking for unusual things such as large consulting fees or unexplained changes in inventory.

Bryan Moser, director of Grant Thornton LLP's forensics investigation and litigation practice in McClain, Va., said that discovering a scam in a business often comes down to finding trends. Anything different than expected should be investigated.

"Company management and business owners just really need to understand what is going on," Moser said. "That is where many business owners get into trouble. ... You want to hire good people and give them the authority and latitude to operate the business and do things well. At the same time, if you get to a point where you are so detached from the business that you really don't understand the basis for results or why things are happening, it could really become an issue."

BKD's Mallery recommended doing background checks, including credit checks of anyone with access to financial information. It could show that someone is facing financial pressure.

"Sometimes employees see opportunity that two years ago they never would have thought about it, but now they are financially stressed and more willing," Mallery said. "If you find out someone is under financial pressure, you could help them get back on their feet and instead of having a problem employee, you have a loyal one."

RECOVERY REPORT

RENEWABLE GROWTH: Because of investments made by the stimulus bill, the nation is on track to double renewable energy generation by 2012, according to a report by Vice President Joe Biden. The nation also will double its capacity to manufacture wind turbines, solar panels and other clean energy components in three years.

President Obama said "a major transformation of our economy is well under way."

The stimulus bill's \$16 billion investment in alternative vehicle technologies will result in the opening of three new electric vehicle plants and 30 new battery plants during the next six years, according to Biden's report. The number of smart meters, which allow consumers to monitor and regulate energy use, will triple by 2013 to 26 million. Nearly 1 million homes will be made more energy-efficient through stimulus-financed retrofits, according to the report.

By 2015, there will be five commercial-scale power plants that will sequester carbon, thanks to stimulus money and existing loan guarantee authority. Plus, the federal government is investing \$400 million in advanced research in wind, solar and geothermal technologies.

FEW JOBS: The stimulus bill's investments in clean energy have not created many green jobs yet, the Council of State Governments reports.

Only 13,000 green jobs had been created or saved by the stimulus bill through Oct. 10, according to the council's analysis. Ohio led the nation with 2,500 green jobs. Rhode Island reported no green jobs as a result of the stimulus bill.

The top programs for green jobs were the Department of Energy's weatherization assistance program and energy efficiency block grants, and the Environmental Protection Agency's clean water and drinking water state revolving funds.
