Request for Relief
From Automatic Stay

Comes now Lisa P. Gross requesting
of the Court for Relief from Auto-
matic stay. On 7/19/2009 I filed
an objection to the 363 sale of
which was filed on 7/22/09 and is
listed as docket entry # 2248 on the
Motors liquidation co. website.

The Court neither made an order regarding my objection nor a response. Anyhow I stated that I had a Title 7 Civil rights suit filed against the General Motors Corporation that was in the 10th Circuit court of Appeals that had been fully briefed but not yet ruled on prior to the commencement of this Chapter 11 filing. Therefore I respectfully ask the Court for relief ^{regarding the Title 7 in 10th Circuit} from the automatic stay ~~that has~~ ~~been~~ due to this Chapter 11 filing with the General Motors Corporation of which is now called General Motors Company. Respectfully

Lisa P. Gross
