By the First Interim Fee Application, Deloitte Tax seeks interim allowance of compensation for professional services performed by Deloitte Tax for the period from January 1, 2010 through May 31, 2010 (the “Compensation Period”) in the aggregate amount of \$579,817.00 and reimbursement of expenses in the amount of \$135.00. Deloitte Tax submits allowance and payment of these amounts are fully warranted given the actual and necessary services rendered to the Debtors by Deloitte Tax as described in this First Interim Fee Application. The Debtors’ cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). The Debtors are continuing to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b)(2).

THE RETENTION OF DELOITTE TAX LLP

5. On March 1, 2010, the Court entered an Order approving the employment of Deloitte Tax as tax services provider to the Debtors pursuant to sections 105 and 363(b) of the Bankruptcy Code *nunc pro tunc* to January 1, 2010 (the “Approval Order”). The Approval Order authorized the Debtors to engage Deloitte Tax pursuant to Engagement Letter (the “Engagement Letter”), dated

January 21, 2009, between Deloitte Tax and the Debtors. Pursuant to the Approval Order, Deloitte Tax was authorized to be compensated by the Debtors, subject to application to this Court as set forth therein. The Approval Order also authorized Deloitte Tax's reimbursement for actual and necessary expenses incurred, subject to application to this Court as set forth therein.

REQUESTED FEES

6. Under the Engagement Letter, there are hourly billing rates per level. During the Compensation Period, a total of 914.4 hours were incurred. The rates Deloitte Tax charges for the services rendered by its professionals in these Chapter 11 Cases are similar to rates Deloitte Tax charges for professional services rendered in comparable nonbankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable nonbankruptcy cases in a competitive market.

7. There is no agreement or understanding between Deloitte Tax and any other nonaffiliated person for the sharing of compensation to be received for services rendered in these cases.

8. Pursuant to the UST Guidelines, annexed hereto as Exhibit B is a schedule setting forth all Deloitte Tax professionals who have performed services in these Chapter 11 Cases during the Compensation Period by category of services, the capacities in which each such individual is employed by Deloitte Tax, the hourly billing rate charged by Deloitte Tax for services performed by such individual and the aggregate number of hours expended and fees billed.

9. Attached hereto as Exhibit C is the time detail in chronological order, by month, showing the services performed by Deloitte Tax during the Compensation Period, including the date, name of professional, hours expended and time description by task.

10. Attached hereto as Exhibit D is the expense detail for which Deloitte Tax seeks reimbursement.

11. All services performed by Deloitte Tax for which fees and reimbursement is requested herein were performed or incurred for and on behalf of the Debtors and were not for any other person or entity.

12. During the Compensation Period, Deloitte Tax performed a services related to preparing a private letter ruling for submission to the Internal Revenue Service (“IRS”). Such services included:

- a. Initial discussions and fact gathering with the Debtors, including conference calls and correspondence with the Debtors’ internal tax department and business people, as well as with other transactional advisors (e.g., bankruptcy and tax counsel);
- b. Preliminary conversations with IRS personnel in advance of filing the ruling request in order to understand their views on the relevant issues;
- c. Technical tax research on the authorities relevant to the issues that are the subject of the ruling request; and
- d. Drafting, review, and revision of the ruling request document. Drafts are circulated to the Debtors and other transactional advisors, and comments are received and integrated into the working draft.

SUMMARY DESCRIPTION OF SERVICES PERFORMED

13. Set forth below is a brief summary of certain of the matters on which Deloitte Tax provided consultations during the Compensation Period. It is not meant to be a detailed description of all of the work performed. Complete time detail describing the day-to-day services is included in Exhibit D.

14. During the Compensation Period, Deloitte Tax worked to assist the Debtors in the preparation of an IRS ruling request related to the tax consequences of the creation of certain trusts

pursuant to a plan of reorganization of the Debtors. The steps taken to prepare this ruling request are set forth above.

EXPENSES

15. Deloitte Tax incurred expenses in the amount of \$135.00 in this Compensation Period.

REQUESTED COMPENSATION SHOULD BE ALLOWED

16. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331 Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1).

Section 330 sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded..., the court should consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title 11 U.S.C. § 330(a)(3).

17. The services rendered were reasonable, necessary and appropriate to the administration of the Chapter 11 Cases and related matters and were rendered in order to protect and preserve the Debtors' estates during the pendency of the Chapter 11 Cases.

18. As demonstrated by this First Interim Fee Application and the exhibits annexed hereto, Deloitte Tax spent its time economically and without unnecessary duplication of effort. In addition, the work conducted was carefully assigned to appropriate professionals, according to the experience and level of knowledge required for each particular task. Accordingly, approval of the compensation sought herein is warranted.

CONCLUSION

WHEREFORE, Deloitte Tax respectfully requests that the Court enter an order (i) awarding Deloitte Tax the interim allowance of fees for the Compensation Period in the amount of \$579,817.00 and expenses in the amount of \$135.00, (ii) authorizing and directing the Debtors to pay Deloitte Tax a total amount of fees and expenses in the amount of \$579,817.00, to the extent not previously paid, and (iii) granting such other relief as is just and proper.
