Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**CONSENT DECREE AND SETTLEMENT AGREEMENT BETWEEN
THE DEBTORS, THE UNITED STATES OF AMERICA,
AND THE STATE OF INDIANA**

I. BACKGROUND

WHEREAS, Motors Liquidation Company (f/k/a General Motors Corp. (“GM”)) (“MLC”), a Delaware corporation, and certain of its affiliates commenced these chapter 11 cases by filing with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) on June 1, 2009, and on October 9, 2009, Remediation and Liability Management Company (“REALM”) and Environmental Corporate Remediation Company, Inc. (“ENCORE”) commenced these chapter 11 cases by filing with the Bankruptcy Court voluntary petitions for relief under the Bankruptcy Code, which cases have been consolidated for procedural purposes and are being administered jointly as Case No. 09-50026 (REG) (the “Bankruptcy Cases”);

WHEREAS, on June 1, 2009, GM also filed a motion to approve the sale of substantially all of its assets pursuant to 11 U.S.C. § 363;

WHEREAS, as part of the sale of assets, GM excluded from the sale certain real property and personalty it owned;

WHEREAS, on July 5, 2009, the Bankruptcy Court approved the sale of assets to NGMCO, Inc. (a/k/a Newco), now known as General Motors Company (“New GM”);

WHEREAS, following the sale of assets, GM was renamed Motors Liquidation Company (“MLC”), and has continued to own and manage the real property assets excluded from the sale to Newco;

WHEREAS, the United States of America (the “United States”), on behalf of the United States Environmental Protection Agency (“EPA”), and the State of Indiana, on behalf of the State of Indiana Department of Environmental Management (“IDEM”) (collectively, the “Governments”), contend that MLC is liable under the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), 42 U.S.C. §§ 9601, et seq., and the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901, et seq., (“RCRA”), to comply with injunctive orders and for costs incurred and to be incurred by the Governments in response to releases and threats of releases of hazardous substances at or in connection with the Delphi E&E Management System Site on South Scatterfield Road, Anderson, Indiana (the “Priority Order Site”);

WHEREAS, the United States, on behalf of EPA, has filed a proof of claim in the Bankruptcy Cases (Claim No. 64064) (the “EPA Proof of Claim”) against MLC, which includes claims and protective claims regarding, *inter alia*, the Priority Order Site;

WHEREAS, Indiana, on behalf of Indiana Department of Environmental Management (“IDEM”), has filed a proof of claim in the Bankruptcy Cases (Claim No. 59181) (the “State Proof of Claim”) against MLC, regarding, *inter alia*, the Priority Order Site;

WHEREAS, the United States, acting on behalf of EPA, and Indiana, acting on behalf of IDEM, contend that on May 8, 2002, GM signed an Administrative Consent Agreement and Final Order under RCRA that required GM to perform the corrective measures determined by

EPA to be necessary to address the immediate health threats posed by hazardous substances in the soil and groundwater at the Priority Order Site;

WHEREAS, the United States, on behalf of EPA, contends that MLC is liable for injunctive obligations and claims set forth in the EPA Proof of Claim;

WHEREAS, the United States alleges in the EPA Proof of Claim that MLC's injunctive obligations to comply with work requirements under court orders, environmental statutes, regulations, administrative orders, licenses, and permits were regulatory obligations that MLC was required to fulfill, including, but not limited to, the work requirements set forth in the Administrative Consent Agreement and Final Order;

WHEREAS, in the State Proof of Claim, Indiana alleges that MLC is obligated to reimburse Indiana for future response actions and costs to be incurred with respect to the Priority Order Site, plus interest;

WHEREAS, MLC does not admit all of the allegations in the EPA and State Proofs of Claim referenced above, but has concluded that further litigation or estimation proceedings are not in the best interests of the Debtors and their estates, and that this Scatterfield Settlement Agreement is an appropriate means of resolving these matters;

WHEREAS, the parties hereto wish to resolve the Governments' claims and causes of action with respect to the Priority Order Site and address other issues relating to environmental matters as provided herein;

WHEREAS, the treatment of liabilities provided for herein represents a compromise of the contested positions of the parties and is entered into solely for purposes of this settlement, and the parties reserve their legal arguments as to any issues involved in other matters, including with respect to sites and properties other than the Priority Order Site included in the EPA Proof of Claim and the State Proof of Claim;

WHEREAS, on August 31, 2010, the Debtors filed a proposed joint chapter 11 Plan (as may be amended, the “Plan”) that incorporates this Scatterfield Settlement Agreement as a Priority Site Consent Decree and Settlement Agreement to be filed with the Bankruptcy Court;

WHEREAS, in the event that this Scatterfield Settlement Agreement is not approved by the Bankruptcy Court, the Parties reserve the right to propose that the cash payment provided for in Paragraph 4 be paid to the Cushion Funding Account as defined by the Environmental Response Trust Consent Decree and Settlement Agreement among Debtors, the Administrative Trustee, the United States, and Certain States, lodged October 20, 2010;

WHEREAS, in consideration of, and in exchange for, the promises and covenants herein, the United States, Indiana, and MLC agree to the terms and provisions of this Scatterfield Settlement Agreement;

WHEREAS, settlement of the matters governed by this Scatterfield Settlement Agreement is fair, equitable, and in the public interest and is an appropriate means of resolving these matters;

NOW, THEREFORE, without the admission of liability or the adjudication of any issue of fact or law, and upon the consent and agreement of the parties to this Scatterfield Settlement Agreement by their attorneys and authorized officials, it is hereby agreed as follows:

Notwithstanding the foregoing, MLC agrees to comply with all terms of this Scatterfield Settlement Agreement upon the Effective Date.

VII. COVENANTS NOT TO SUE

8. With respect to the Priority Order Site (including the releases of Hazardous Substances from any portion of the Priority Order Site and all areas affected by migration of such substances emanating from the Priority Order Site), and except as specifically provided in Section VIII (Reservation of Rights), upon the Effective Date, the United States, on behalf of EPA, and Indiana, on behalf of IDEM, covenant not to sue or assert any administrative or other civil claims or causes of action against Debtors under CERCLA, RCRA, and State environmental statutes, statutes, as well as any other environmental liabilities asserted in the EPA Proof of Claim or the State Proof of Claim.

9. With respect to the Priority Order Site, except as specifically provided in Section VIII (Reservation of Rights), the EPA Proof of Claim and the State Proof of Claim shall be deemed satisfied in full in accordance with the terms of this Scatterfield Settlement Agreement, the Governments shall not be entitled to file any further claims under CERCLA, RCRA, or State environmental statutes, as well as any other environmental liabilities asserted in the Governments' Proofs of Claim, whether unsecured, secured, administrative priority or otherwise, and the Governments shall not receive any other distributions in the Bankruptcy Cases on account of such claims.

10. These covenants not to sue in Section VII (and the reservations thereto) shall also apply to Debtors' successors, assigns, officers, directors, employees, and trustees, but only to the extent that the alleged liability of the successor or assign, officer, director, employee, or trustee of Debtors is based solely on its status as and in its capacity as a successor or assign, officer, director, employee, or trustee of Debtors. For purposes of this Paragraph, New GM shall not be considered a successor or assign of Debtors.

11. The covenants not to sue contained in this Scatterfield Settlement Agreement extend only to Debtors and the persons described in Paragraph 10 above and do not extend to any other

person or entity. Nothing in this Scatterfield Settlement Agreement is intended as a covenant not to sue any person or entity other than the Debtors, the United States, Indiana, and the persons or entities described in Paragraph 10. Except as provided in Paragraph 10, the United States, Indiana, and Debtors expressly reserve all claims, demands, and causes of action either judicial or administrative, past, present or future, in law or equity, which the United States, Indiana, or Debtors may have against all other persons or entities, firms, corporations, entities, or predecessors of Debtors for any matter arising at or relating in any manner to the Priority Order Site and/or claims or causes of action addressed herein.

12. Debtors covenant not to sue and agree not to assert claims or causes of action against the United States or Indiana with respect to the Priority Order Site, including but not limited to any direct or indirect claim for reimbursement from (i) the Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113, 42 U.S.C. §§ 9606(b), 9607, 9611, 9612, 9613, or (ii) any other provision of federal or state law; any claims against the United States or Indiana, including any of their departments, agencies or instrumentalities pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. §§ 9607, 9613, or State environmental statutes; and any claims arising out of the response activities at the Priority Order Site. Nothing in this Scatterfield Settlement Agreement shall be construed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611 or 40 C.F.R. § 300.700(d), or State environmental statutes.

VIII. RESERVATION OF RIGHTS

13. The covenants not to sue set forth in Section VII do not apply to any matters other than those expressly specified therein. The United States and Indiana reserve, and this Scatterfield Settlement Agreement is without prejudice to, all rights against Debtors or other persons or

entities with respect to all matters other than those set forth in Section VII. The United States and Indiana also specifically reserve all rights against Debtors with respect to:

- (i) any action to enforce their rights under this Scatterfield Settlement Agreement;
- (ii) any claim or cause of action for response costs and injunctive relief under CERCLA Sections 106 and 107, RCRA Sections 3008, 7002 and 7003 or state environmental law for future acts taken by the Debtors after the Effective Date that create liability under CERCLA, RCRA, or state law;
- (iii) criminal liability; and
- (iv) all rights with respect to any site that is not the Priority Order Site.

Debtors' future acts creating liability under CERCLA, RCRA or state law do not include continuing releases related to Debtors' conduct at the Priority Order Site prior to the Effective Date. The United States and Indiana also reserve, and this Scatterfield Settlement Agreement is without prejudice to, any liability of Debtors' successors, assigns, officers, directors, employees, and trustees for response costs and injunctive relief under CERCLA Section 106 and 107, RCRA Sections 7002 and 7003, and state laws for any future acts taken by any such respective entity after the Effective Date that create liability under CERCLA, RCRA or state law. Future acts creating liability under CERCLA, RCRA, or state law do not include continuing releases related to such party's conduct at the Priority Order Site prior to the Effective Date.

14. Nothing in this Scatterfield Settlement Agreement shall be deemed to limit the authority of the Governments to take response action under Section 104 of CERCLA, 42 U.S.C. § 9604, or any other applicable federal or state law or regulation, or to alter the applicable legal principles governing judicial review of any action taken by the Governments pursuant to such authority. Nothing in this Scatterfield Settlement Agreement shall be deemed to limit the information-gathering authority of the Governments under Sections 104 and 122 of CERCLA, 42

U.S.C. §§ 9604 and 9622, or any other applicable federal or state law or regulation, or to excuse Debtors from any disclosure or notification requirements imposed by CERCLA, RCRA, or any other applicable federal or state law or regulation.

15. Except as provided in Paragraph 10, nothing in this Scatterfield Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person or entity not a party to this agreement. Except as provided in Paragraph 10, nothing in this Scatterfield Settlement Agreement diminishes the rights of the Governments, pursuant Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), or State environmental statutes, to pursue any persons or entities not a party hereto to obtain additional response costs or response actions and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2), or State environmental statutes. Except as provided in Paragraph 10, the Governments expressly reserve all existing rights against all persons or entities not a party to this Scatterfield Settlement Agreement, including New GM. MLC reserves all rights against all persons or entities not a party hereto, including the right to dispute claims filed by parties or entities other than the Governments with respect to the Priority Order Site.

IX. CONTRIBUTION PROTECTION

16. The parties hereto agree, and by approving this Scatterfield Settlement Agreement the Bankruptcy Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and any analogous Indiana law, and that Debtors are entitled, as of the Agreement Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Scatterfield Settlement Agreement. The “matters addressed” in this Scatterfield Settlement Agreement, as that phrase is used in Section

113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or any analogous Indiana law, include, without limitation, response costs incurred or to be incurred by EPA, Indiana, or potentially responsible parties or Claims with respect to the Priority Order Site.

17. Debtors agree that with respect to any suit for contribution brought against them after the Scatterfield Settlement Agreement Effective Date for matters related to this Scatterfield Settlement Agreement, they will notify the United States within 15 business days of service of the complaint upon them. In addition, in connection with such suit, Debtors shall notify the United States within 15 business days of service or receipt of any Motion for Summary Judgment and within 15 business days of receipt of any order from a court setting a case for trial (provided, however, that the failure to notify the United States pursuant to this Paragraph shall not in any way affect the protections afforded under Sections VII and VIII (Covenants Not to Sue and Reservation of Rights)).

X. NOTICES AND SUBMISSIONS

18. Whenever, under the terms of this Scatterfield Settlement Agreement, written notice is required to be given, or a report or other document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below via U.S. certified mail, return receipt requested, unless those individuals or their successors give notice of a change of address to the other parties in writing. All notices and submissions shall be considered effective upon receipt, unless otherwise provided.
