

February 7, 2011

Dear Honorable Robert E. Berber, United States Bankruptcy Judge,

I received paper work from The Garden City Group Inc. on January 31, 2011. It states:

Name and address of Claimant	Claim#	Debtor	Claim Amount	Grounds for Objection	Page Reference
Anderson, Hugo J. 533 Lincoln Rd. Otsego, Michigan 49078	6285	Motors Liquidation Company	\$4,911.46	Equity Interest claim	Pgs. 1-5

Between 10-11-2007 and 11-29-2008, I purchased 6,548.612 shares of General Motors common stock at a purchase price of \$80,369.60. I purchased these shares through an on line brokerage firm called Buy and Hold. Com I did not sell any of these shares. They are shown on my Buy and Hold account as Motors Liquidation shares.

I feel my claim amount should be for \$80,369.60 and not the \$4,911.46 as shown on this paper work.

Sincerely Yours,  
Hugo J. Anderson
