Dear Judge Robert E. Gerber,

I was told if I write you - I may have a chance of getting some money.

I owned 200 shares of General Motors preferred stock = to \$5,000.00. I received some papers and I was on a list that said my claim was disallowed. I'm confused as to why some preferred stock holders are disallowed & others are not.

Please inform me as to what's going on.

Thank you,
Barbara J. Enoch
