**ATTACHMENT TO ADMINISTRATIVE EXPENSE CLAIM FORM  
FOR HOWARD COUNTY, INDIANA**

1. Description

Howard County, Indiana ("Howard") files this Administrative Expense Claim Form ("Proof of Claim") for certain real estate taxes owed by Motors Liquidation Company, f/k/a General Motors Corp. ("Old GM" or the "Debtor").

Under Indiana statutory law, real property taxes are assessed, and correspondingly are incurred by the property owner, on or as of March 1 of each year, which taxes then become and are payable in two equal semi-annual installments in the following calendar year.

Listed in the table below is a summary of estimated amounts of real property taxes which have been or will be incurred by the Debtor as of March 1, 2010, and as of March 1, 2011, with respect to two parcels of real property located in Howard County, Indiana, and which are within the scope of Section 503(b)(1)(B)(i).<sup>1</sup> All of the figures contained in the table are estimated sums, since statements for the amount of the installments due and payable in May and November of 2011 (for the real property taxes that were incurred by the Debtor as of March 1, 2010) and for the amount of the installments due and payable in May and November of 2012 (for the real property taxes that will be incurred by the Debtor as of March 1, 2011) have not yet been finalized or issued by the County.

<u>Parcel No.</u> 34-03-25-203-002.000-002		
<u>Incurring as of March 1, 2010</u>	<u>Incurring as of March 1, 2011</u>	<u>Sub-Total</u>
\$12,250.00 [estimated]	\$12,500.00 [estimated]	\$24,750.00
<u>Parcel No.</u> 34-03-25-206-001.000-002		
<u>Incurring as of March 1, 2010</u>	<u>Incurring as of March 1, 2011</u>	<u>Sub-Total</u>
\$6,800.00 [estimated]	\$7,000.00 [estimated]	\$13,800.00
<b>Estimated total for both parcels, both tax years:</b>		<b>\$38,550.00</b>

<sup>1</sup> The County has no record of these parcels as having been included in the primary sale of assets by the Debtor to New GM in June of 2009. According to the County's records, the party that paid the installments of taxes that became due in May and November of 2010 was the Debtor.

As background and foundation for the estimated sums contained in the table above, attached hereto as Exhibit A are copies of the actual statements for both of the above-referenced parcels for real property taxes incurred on or as of March 1, 2009, and paid in installments in May 2010 and November 2010.

The real estate taxes included within the above-described estimated amounts owed by the Debtor to Howard are also secured under Indiana statutory law by a lien on the respective parcels of real estate. Howard reserves the right to assert and obtain payment on any such liens and corresponding secured claims for real estate taxes and/or personal property taxes in addition to or as an alternative for this administrative claim.

By filing this Proof of Claim, Howard does not waive any rights to seek further relief from the Bankruptcy Court, including, without limitation, interest, attorney fees, additional fees, costs, expenses, advances, assessments, charges or penalties, and any other amounts which were incurred, accrued, or arose as of, on, or after June 1, 2009 (the "Petition Date"), and which may be included or recovered by Howard as a portion of or in relation to its administrative claim.

In addition, Howard does not waive and reserves the right to obtain payment of any portion of its administrative claim on or as of any date (along or simultaneously with payments to other administrative claimants under a plan of reorganization or liquidation, and otherwise) that may or would be earlier than the date any installment of real estate taxes or personal property taxes which are the subject of this Proof of Claim might otherwise have become due and payable under Indiana law.

## 2. Reservations of Rights and Defenses

By filing this Proof of Claim, Howard does not concede any rights under Section 503(b)(1)(D) of the Bankruptcy Code that otherwise would have entitled it to, or allowed a claim in favor of it for, the payment of an administrative expense without filing a request for payment.

Howard reserves the right to supplement or amend this Proof of Claim for the purpose of including specific or additional sums for its administrative claim and to change estimated figures to actual figures included in statements that will be issued. Further, Howard reserves the right to state a total amount that is or would be owed by the Debtor to Howard as of the effective date of any plan of reorganization or liquidation in this case, the date of any distribution or payment with respect to any portion of this claim, or any other appropriate date(s).

Howard respectfully does not necessarily consent to, and reserves the right to object to, the exercise of jurisdiction by the Bankruptcy Court over any and all aspects of, and/or any proceedings relating to any subject of, this Proof of Claim. Also, without limiting the generality of the foregoing, Howard respectfully retains and reserves any and all rights it otherwise may have to (a) object and not submit to the jurisdiction of the Bankruptcy Court for any particular purpose, matter, or proceeding (including the right to assert sovereign immunity), (b) seek entry of final orders in non-core matters only after a *de novo* review by a District Judge, (c) trial by jury on any issue so triable in any contested matter or adversary proceeding arising in or related to the Debtor's bankruptcy case, or (d) request that the District Court withdraw the reference in any

matter or proceeding subject to mandatory or discretionary withdrawal. Further, Howard retains and reserves any rights, claims, actions, setoffs, or recoupments to which it is or may be entitled, in law or in equity, with respect to the Debtor or its assets in the subject case.

To the extent that a request to commence or establish procedures for the estimation or determination of any portion of Howard's administrative claim may be entailed or required at this time in connection with the filing of this Proof of Claim, Howard County hereby also submits such a request (but respectfully reserves the right, in accordance with the foregoing paragraph, to have such estimation or determination be undertaken in a proceeding not before, or by a tribunal other than, the Bankruptcy Court).

Howard retains and reserves any and all rights, claims, actions, and remedies it has or may have with respect to all entities other than the Debtor. Without limiting the generality of the foregoing, Howard reserves the right to seek and obtain payment of any tax amounts included within the scope of this Proof of Claim for which any entity agrees to pay or otherwise becomes liable in connection with or after a transaction approved by the Bankruptcy Court (including, without limitation, New GM).

Further, Howard reserves the right to amend, supplement, and/or modify this Proof of Claim (and the documents that accompany or support same) from time to time as may be necessary or appropriate to conform to, or to adapt to changes in, facts or law, determinations yet to be made in this bankruptcy case or in other proceedings, or otherwise to further the purposes of filing this Proof of Claim.
